Directions

Please complete this form if you are eligible for the Hope Scholarship and are studying as a transient student at another HOPE-eligible institution in Georgia (hereafter referred to as the host institution).

- Submit this form to the Office of Scholarships and Financial Aid (OSFA).
- OSFA will evaluate your eligibility for the HOPE Scholarship.
- If you are eligible to receive this award, OSFA will send a HOPE Scholarship Eligibility Certificate for Transient Study to the host institution.

Note: This certificate will not be sent until the final grades of the current semester are recorded by the Office of the Registrar. Therefore, you may need to pay your tuition and fees in advance at the host institution.

- The HOPE Scholarship will be disbursed by the host institution.

Important Items to Remember

- Obtain permission and follow the guidelines from the Office of the Registrar to attend another institution as a transient student.
- At the end of the semester, you must request that the host institution send an official academic transcript to the Office of the Registrar. HOPE will not be paid for future semesters until that transcript is processed.
- All courses attempted at another institution, including grades, will be used to determine your continued eligibility to participate in the HOPE Scholarship program.
