

Financial Aid Transient Agreement Form

Transient students are Georgia Tech degree-seeking students who are not enrolled for the term at Georgia Tech and are enrolled in another Title IV eligible institution. Georgia Tech is considered to be the home institution and the school you will be attending is the host institution. Regulations prohibit students from receiving federal financial aid from more than one institution during the same academic term. Therefore, all requests for financial aid during terms of transient study must be filed with Georgia Tech, not the host institution.

Awards available for Transient status:

- Pell Grant
Federal Direct Loans (Subsidized Direct Student Loans, Unsubsidized Direct Student Loans, Direct Parent PLUS Loans, and Graduate Direct PLUS Loans)
HOPE Scholarship
If you are seeking HOPE only, this form is not necessary. Instead, you will need to complete the HOPE Transient Request Form
The host institution must be a HOPE eligible school. HOPE is paid out by the host institution.

- The host institution is an eligible Title IV Institution.
Transient Approval Letter – available from the Registrar’s Office – must be provided to the host institution.
Transient Agreement Form, completed and signed by the host institution.
